## **BUSINESS** *Photos for webpages and presentations*

**You need photos for your webpage, a flyer or brochure and need the user rights?** We will devolve the user rights to you.

**Who shall take your pictures?** You have the choice between Annette Koroll\*\* or one of our talents\*.

**Before we start with the photo shooting,** we will discuss the purpose and aim of the pictures. If available, we will look at your webpage or companies presentation to get an idea about the corporate presentation. We'll talk about your desired appearance and the suitable photographic style.

**After the photo-shooting,** we will choose the best images on the computer screen together.

**The chosen pictures** will be professionally digital enhanced in order to meet your wishes. 2-5 days later you'll receive a CD with the images in two resolutions (suitable for digital screens and print) including all user rights.
