DEKOFRAME

Decoframe is a clamping frame system made of anodized aluminum created for prints on fabric to display radical reduced design.

If you like to display new images on your wall, the fabric prints can be removed and exchanged from the dekoframe in not time.

You determine the size according to your needs. Even oversized formats can be realized without splitting the image in sections.

Choose from our editions, your portraits or your own images.

Dekoframe from your image/portrait

	total	fabric only
up to 1 qm (1x1m)	375,00 €	175,00 €
up to 2 qm (1x2m)	500,00 €	250,00 €
every additional qm	+ 125,00 €	+ 75,00 €
